## Word search book pdf free pdf downloads full screen

Well, it was actually Barack Obama’s favorite book in 2015. Besides, you can never get enough of independent main female characters, right?“The Butterfly Garden” — Dot Hutchison“The Butterfly Garden” is one of those books you won’t be able to put down. It’s all about growing up with survivalist parents, and it’s a book that a surprising number of people found they could relate to. You just give the game a title, enter the number of letters across and down, which can be as many as 40 by 40, and then input the words you want to be hidden in your grid. Photo Courtesy: Matt Palmer/Unsplash Now, all we’ll say is this: If you love anything related to Harry Potter, you’ll love “Carry On.” There’s something in it for every Harry Potter fan, including evil shapeshifters, wands and more magic. Photo Courtesy: Eva Dang/Unsplash Not only is the book full of adventure, but it’s also set in London, which arms this potential future movie with plenty of opportunities for beautiful scenic moments. Additional sets of large print crossword and word search puzzles are now available for \$5.00 USD for a set of 20 or \$20.00 USD for a collection of 80 large print puzzle PDF files. MORE FROM LIFE123.COM All of our word search puzzles are available to download and print as either a pdf or an image. This could be the modern Buffy the Vampire Slayer show everyone’s been waiting on. Along with diversity, the story also embraces modern themes and gives some insight into troubled home lives. But sometimes, you come across a story so wonderful and captivating you just have to wonder why it hasn’t made it to the silver screen yet. It combines art with radicalism, and it’s set in 1970 for an added dose of nostalgia. If you haven’t read the book yet, make sure you have some tissues nearby. “Death With Interruptions” — José Saramago Death With Interruptions” is one of those life-changing books that’s definitely a rite of passage for people who are stuck in the limbo of life. Word search puzzles can be themed to appeal to children, they can cover a variety of topics, and some even have a hidden message that’s revealed as the player finds the hidden words. Photo Courtesy: Pawel Janiak/Unsplash There are secrets, artificial wombs and a city that’s all about being happy at whatever cost. The storyline focuses on love, Greek mythology and obsession. It would definitely be a niche show that’s not everyone’s cup of tea, but for those who are into detective stories, this could be a real treat. “The Wonder” — Emma DonoghueEmma Donoghue already has one adaptation under her belt. Maybe this one isn’t really geared to be a TV show, but the plot is definitely strong enough for a movie adaptation. “The Red Queen” Series — Victoria AveyardLet’s be honest. The “An Ember in the Ashes” series is a magical saga that could lend itself well to a trilogy a la The Lord of the Rings films. It follows the story of a teenager on the autism spectrum who wants to find out what happened to the neighbor’s dog. Photo Courtesy: Neil Kharawala/Unsplash There are talks about movie adaptations, and the rights were purchased years ago, but as of yet nothing has come to life. Photo Courtesy: Ani Kolleshi/Unsplash Donoghue knows how to write best-sellers, so we have a feeling “The Wonder” will become a film sooner rather than later. Photo Courtesy: StockSnap/Pixabay Although Oprah may have loved this book, Hollywood filmmakers are still hesitant to work on the project. The question is, who will it be?“The Curious Incident of the Dog in the Night-Time” — Mark HaddonNow, this is surprising. Here’s to hoping we’ll eventually get the movie version of “The Amazing Adventures of Kavalier and Clay” — and love it. “An American Marriage” — Tayari JonesThis book focuses on a Black partnership and follows the story of the husband, who’s been wrongfully incarcerated. Photo Courtesy: SHAWSHANK61/Pixabay There are plenty of storytelling angles of this book that would work well on the screen as the story tackles life, loss, love and everything in between. His storytelling is superb, which is precisely why three of his books have already become decent movies. Netflix, if you’re reading this, you know what to do. “The Throne of Glass” Series — Sarah J. Photo Courtesy: VisionPic/Pexels If that’s not a clear look into just how amazing this thriller is… Trust us on this one; this would make a brilliant movie adaptation. This is a story that’ll make you want to go on a thrilling motorbike ride to satisfy your need for speed — and you’ll be even more pumped to (hopefully) see it in theaters. “The Girls” — Emma ClineThis book is based on the real-life story of the Helter Skelter case, and a film could capitalize on the public’s growing interest in cults. Say no more. Although it’s been a while since the book was published, the story remains relevant in present times. Photo Courtesy: Pixabay/Pexels The story focuses on five students in detention. Click on FEE PUZZLES for access to over 540 new puzzles with more in development. © 1996-2014, Amazon.com, Inc. Bestcrosswords.comAt bestcrosswords.com you’ll find 16,000 archived crosswords, and 16 new ones are added each day. “Room” was fabulous, but she could also easily achieve another winner with “The Wonder.” The story focuses on a British nurse on a job to mind an 11-year-old child. This is a book you can quickly devour in a single night, but you won’t be quite the same after you finish it. But there’s just something about “Nowhere” that could make it a huge success. Yes, please. With the games on this site, the hidden message is made using the letters that are not used to create the hidden words. Photo Courtesy: Kiril Petropavlov/Unsplash And the thing is, plans for a movie were in the works, but nothing has happened yet. It would be a captivating story, and there’s no doubt the screen version would have something in it for everyone. And the garden isn’t what you think it is. The opportunity to highlight issues minorities often face in the U.S. shouldn’t be ignored. There are serial killers involved, and that’s all we can really say about the plot of this fantastic thriller. MORE FROM FAQTUIDS.COM Photo Courtesy: Hate to Want You/Goodreads But fear not, because the characters in “The Forbidden Hearts” are diverse. Photo Courtesy: Free-Photos/Pixabay Because it’s been such a huge hit, it would be a missed opportunity to not at least try turning this book into a movie. Photo Courtesy: Nik Shulahn/Unsplash The story follows the adventures of Calaena Sardothen, an ex-prisoner-turned-assassin. We have included the 20 most popular puzzles below, but you can find hundreds more by browsing the categories at the bottom, or visiting our homepage Photo Courtesy: ninocare/Pixabay Adapting books into movies or TV shows is hard work, and not all directors can pull it off while still honoring the source material. Photo Courtesy: Andrey Zvyagintsev/Unsplash After all, who wouldn’t want a movie about a girl gang? You can play online or print the searches easily enough if you’d rather go old school. The story follows Mare Barrow as she’s introduced to the royal class of the world despite having belonged to the lower class all her life, or its affiliates CCO/ stevepb/Pixabay Crossword puzzles can be fun, challenging and educational. Let’s go, Hollywood. “American Wife” — Curtis SittenfeldAlthough the title of this book appears to be similar to the previous one on our list, it’s entirely different. It’s utterly enchanting — the circus arrives without any announcements and leaves the next day. Sure, there are already two television movies that are loosely based on this book, but a talented filmmaker could definitely do this futuristic story some justice. Imagine what you’d feel if you could see it all happen on the silver screen. “The Forbidden Hearts” Trilogy — Alisha RaiMove aside, Fifty Shades. However, this beautiful story has a lot of potential. The characters are incredibly captivating, and the story instantly transports you to a painful era in U.S. history. In the meantime, read the book if you haven’t already. Sure, it’s more philosophy-based, but that doesn’t mean it doesn’t have movie potential. Lockhart’s book features fantastic twists that would be excellent to see on the big screen. Each set includes a copyright release for use by your business or organization. The copy authorization allows you to edit and print the puzzles with your logo or other graphics, reprint puzzles in any format, and publish the puzzles in your organization’s newsletters or magazines. There are only a few people in this world who probably haven’t heard of this book, because it’s kind of an older one. Photo Courtesy: Free-Photos/Pixabay Film rights were bought in advance, and the book became Chabon’s biggest hit. But it’s perfectly balanced to make for a wonderful movie. “One of Us Is Lying” — Karen McManusThink about The Breakfast Club mixing with Gossip Girl, and you get “One of Us Is Lying” as a result. The characters are wonderful, the story is relevant in modern times and there’s plenty of drama for everyone. The Goodreads description of this book says that you should definitely read it, but if anyone asks you how it ends, don’t reveal a thing. It’s great when played on a phone, a tablet or a PC. It’s not a romance, and it’s not a thriller either; it’s actually hard to pinpoint this book’s exact genre. If you missed any of the FREE large print word search puzzles that were posted on our Web site, you will find them here. This is what “The Art of Fielding” could turn into. You really can’t go wrong with this beautiful book. “The Amazing Adventures of Kavalier and Clay” — Michael ChabonHere’s another Pulitzer Prize winner. Without giving too much away, let’s just say you won’t be the same after finishing this book. Set in a mysterious house with an even more mysterious garden, the story follows the life of main character Maya. Photo Courtesy: Hans/Pixabay Given that movies with such intense storylines really suit old-school actors, there’s a good chance the cast list could be pretty elite for this one. Photo Courtesy: Hasan Almasi/Unsplash There’s racial diversity, mythological stories, interesting characters and plenty of action to keep you interested in every single book — it’s everything you’d hope for from a good fantasy franchise. But the movie would have a lot to live up to after a presidential endorsement of the book. When you find a word, it is crossed off on the list that shows on the left-hand side of the screen. It’s quite a story to tackle, but it would be a touching success if Hollywood put some care and effort into this one. The main characters are well-described and likable, which is one of many reasons why this would be a perfect Netflix series. They’re equally good for kids learning how to spell, for adults wanting to stimulate their mind, or for senior citizens looking to keep their minds sharp. Netflix Originals are often done well, and with the quality of this story, this news is incredibly exciting. We’ll skip the spoilers for this one because it’s a book you just have to read, especially if you’re looking for stories about characters who are underprivileged. “Brave New World” — Aldous HuxleyIt’s pretty surprising that “Brave New World” hasn’t been turned into a blockbuster movie by now. The best players are ranked and their scores are published on the site.Hidden MessagesRather than searching for words from a specific topic, why not try one of the word searches at puzzles.ca/word-search as the hidden words in the word searches create a message when they’ve all been found. The storyline is incredibly touching. MassAn assassin book with a strong female lead? It definitely won’t be everyone’s cup of tea, but Leonardo DiCaprio was first reportedly lined up to play the serial killer. “Educated” — Tara Westover“Educated” was one of the most popular memoirs of 2018. We’re thinking it’s only a matter of time before we hear the news that someone bought the filming rights. “Eileen” — Ottessa Moshfegh“Eileen” is an incredible book, mixing multiple genres as the story follows a prison worker from the 1960s. “The Curious Incident of the Dog in the Night-Time” was adapted into a play, so maybe the big-screen premiere isn’t so far away. “Days Without End” — Sebastian BarryThis book has a most unique topic — a queer love story about American soldiers set during the Civil War. A lot. And considering the high-profile endorsement, not turning it into a movie would be almost a sacrilege. One thing’s certain: It’s a thriller that’ll stay with you long after you finish reading it. “Carry On” — Rainbow RowellIt’s about time we got more queer love stories on the big screen. But it’s written in a way that feels like fiction, so some dramatic onscreen treatment may be what’s best. Puzzle MakerIf you’ve run out of challenging word searches and puzzles to play, why not head to puzzlemaker.discoveryeducation.com? Sure, Harry Potter marathons are nice, but wouldn’t it be amazing to get a refreshing new story to obsess over?“Eleanor and Park” — Rainbow RowellThis story is set in 1986, but it’s still relevant today. There’s just the right amount of action and teen romance in this one to get people hooked. You just pull the cursor across the letters to highlight the words you’ve found. There’s nothing better than unraveling family and friendship secrets during a sweltering summer. “The Night Circus” — Erin MorgensternThis mesmerizing story of a night-only circus deserves its movie moment. There are motorcycle races involved. Why not test out your word search skills by trying to find Disney character names, or if you want something that’s at least a little educational, why not try a science of geography word search? However, there are plenty of elements in the tale that remain timeless and relevant today. Haddon wrote this quite some time ago, and yet, for some reason, it never made it onto the big screen. But you just won’t believe what goes on behind the scenes. This one even got the Pulitzer Prize, so it’s about time someone picked it up — and someone did! Photo Courtesy: PIR04D/Pixabay “All the Light We Cannot See” will indeed become a movie adapted by the one and only Netflix. Spy Kids, step aside; there’s a new tale on the block. If you’d like to challenge your skills against others, this is the site to head to as there’s a dedicated competitive crossword section which you can get to if you’re a registered user. Oprah widely endorsed “An American Marriage” and added it to her book club’s reading list. It’s about young love that isn’t exactly stereotypical. An accurate movie adaptation of this beauty would be one of the most perfect major motion pictures. “All the Light We Cannot See” — Anthony DoerrHere’s a gem that focuses on several characters during the pre-WWII era. Each PDF file includes a puzzle grid page with word list and a solution page with a hidden message. There’s also romance, secrets and everything else that makes for ample intrigue. It’s the ultimate book that helps during the soul-healing process, and having a movie to back it up would only make it that much more resonant. “The Devil in the White City” — Erik LarsonNon-fiction books often get turned into documentaries, and the novelistic “The Devil in the White City” deserves its big-screen moment. The characters are mysterious and well-defined, making them captivating right off the bat. Photo Courtesy: bertvthul/Pixabay It’s an intense book to turn into a movie, but if done with the right cast and sensitivity, it would be an instant hit. Photo Courtesy: cherylholt/Pixabay Just imagine having a full-on, dramatic baseball story that’s not the “I Don’t Dance” scene from High School Musical 2 (sorry). Photo Courtesy: Emiliano Bar/Unsplash Of course, it’s always difficult dealing with several genres at once without turning the story into a cheesy cliché horror-comedy. The hidden message isn’t created by linking up all the hidden words because that would allow players to work on the sentence by simply rearranging the target words in the checklist. You can choose word searches on topics like movies, sport, animals or food and drink. With a bit of luck and filmmaking talent, it will. “Bleeding Edge” — Thomas Pynchon “Bleeding Edge” is one of those books you almost can’t imagine seeing on the big screen because it needs to be done absolutely right. What could possibly go wrong? Photo Courtesy: Eric Tompkins/Unsplash It’s about time we got a decent circus movie or even a TV show, and this could make it all happen. Everyone was raving about it, and for good reason. From romances to thrillers, there are plenty of amazing books we have yet to see on the big screen. It’s quite a story, and it would definitely make a touching movie — even if the film incorporates something similar to the current state of American politics. “The Art of Fielding” — Chad HarbachIt’s been a minute since we’ve seen a decent baseball movie, hasn’t it? Each month around 600,000 crosswords are played on the site, which allows casual players and competitive crossword challengers a chance to enjoy themselves. “All the Light We Cannot See” — Anthony DoerrHere’s a new romance trilogy in town. We haven’t had a well-received franchise like this one since “The Hunger Games,” but if there are books that could bring that type of magic back, they’re the ones from “The Red Queen” series. Thewordsearch.comAnother site that offers great games that are free to play is thewordsearch.com. It’s loosely based on the life of the former First Lady Laura Bush while in the White House. Sci-fi shows and movies are extremely popular — especially now — so why not? “The Art of Fielding” had an interesting behind-the-scenes moment when Harbach was struck with a copyright lawsuit. And, of course, you can’t go wrong with spy gadgets. Photo Courtesy: Free-Photos/Pixabay It’s a perfect chance for an aspiring filmmaker to really test their talents, and there’s no doubt that someone in Hollywood would be able to pull this off. The puzzle, which is created instantly, can then be printed. There are secrets, mysteries and, of course, reliable teenage shennanigans. It’s time to call Hollywood and get someone to start thinking about the creative direction of this one. “Fates and Furies” — Lauren GroffThe title of this book sounds familiar, right? Those sites are very good for teachers looking to create vocabulary quizzes for their classroom.Word Search PuzzlesIf you head to word-search-puzzles.appspot.com, you’ll find games you can play online. The main character is complex and the story is completely set in a fantasy world. “The Amazing Adventures of Kavalier and Clay” has already gotten plenty of attention regarding a big-screen adaptation, but as of yet, there’s really no news other than that it’s in development (according to IMDb). The story follows the educational life of an eccentric college professor and a student clique. Photo Courtesy: Markus Spiske/Unsplash The story focuses on loyalty and on the obstacles Mare has to tackle in order to overcome her life challenges. Photo Courtesy: David Everett Strickler/Unsplash Just imagine being a teacher and then ending up living in the White House. There are plenty of likable characters in the books, and filmmakers would have a blast filming the action scenes. “The Secret History” — Donna TarttIt’s all in the name, but don’t be fooled — this is one of those books that you definitely can’t judge by its cover. Well, that’s not really her name. Photo Courtesy: Patrick Hendry/Unsplash The book brings out all kinds of emotions, so there’s no doubt that the movie version could, too. The book follows the life of Simon, who’s not exactly a regular person. Serious directors only, please. “The Flamethrowers” — Rachel KushnerThis is one of those stories that people rave about long after they read it. Cline’s ability to create interesting characters is sublime, which is another reason why this story would do so well as a movie. Detective technology isn’t that prominent yet, meaning there are plenty of secrets that need to be uncovered using more than just high-tech devices. However, there’s no clear indication of how long it’ll take to see the final product. LockhartA wealthy family’s summer adventure on a private island? But it would be a complete disservice to not at least try a streaming-service special, perhaps. “An Ember in the Ashes” Series — Sabaa TahirAh, another series. This site, which is run by Discovery Education, has a simple program which allows you to create your own personalized game. The story is pretty self-explanatory, but we’re still waiting to see it in action. After the love-hate relationship between the public and the Fifty Shades of Grey adaptations, the movie industry seemed to have taken a break from working on passionate romance novels. The story is set in Paris and features a variety of plot points that’ll leave you in tears. Some sites allow users to create their own word searches so they can challenge friends and family. Plus, the books are full of complex situations and moments that’ll keep you hooked on the story until it’s over (and beyond). Photo Courtesy: klimkin/Pixabay Teenager and school angst movies always do incredibly well, especially if they come from Netflix. It’s about time the world gets back into franchises, though. Photo Courtesy: ninocare/Pixabay There’s just enough dark, complex content for the book to become a perfect series. But now that that’s been wrapped up, there’s a chance to turn this book into a movie. Photo Courtesy: Debaddutta/Pexels According to IMDb, this one is in development to be turned into a movie. This is one of those stories that drag you in, and it doesn’t leave you feeling quite the same after you finish it. Photo Courtesy: Tiny Tribes/Unsplash Due to the theme, it would be amazing to see “Eleanor and Park” on the big screen — not only would it still be incredibly relevant, but if it’s done correctly, it would be a well-received movie. And if you haven’t had a chance to read these, it’s time to put them on your list before you (potentially) see some film adaptations. “We Were Liars” — E. That’s really all you need to understand to know why this would make a fabulous movie. There’s a bit of everything for everyone, including plenty of horror. Or at least we can hope; it would be a shame to miss out on this opportunity. “Nowhere” — Neil GaimanIf there’s another author who knows how to write best-sellers, it’s Neil Gaiman. We’re thinking this could work well as a soap opera series. “The Gallagher Girls” Series — Ally CarterThis story follows the main character Cammie, who’s enrolled in an all-girls spy school where the students train to become actual spies. You can download the app through the App Store or get it through Google Play if you’d like to play this on your mobile device. Some of the most popular games on the site are those that give you a list of famous people or character names from major TV shows. And if there was a story we’d choose as the lead, it might just be this one. We kind of miss the “Hunger Games” days, to be completely honest. There’s nothing better than a good old detective story, and this one is set in the 9/11 era.
